Child's World Preschool is a place where we can pair academic education with Christian values & help shape the whole child by teaching them kindness, humility, patience and service. We strive to create an environment that is welcoming, engaging and educational for all children.

CURRICULUM

Ohio's Early Learning and Development Standards (ELDS) are incorporated into daily activities. The standards foster student learning in five essential domains of school readiness. These five domains are: Social/Emotional Development, Physical/Motor Development, Approaches Toward Learning, Language/Literacy Development and Cognition/General Development. A Christian education is taught through Bible stories, memory verses, prayers and scripture songs. Special class events, programs, and field trips are held throughout the year.

HISTORY

In 1976, Child's World Preschool began as a parent-cooperative preschool with 26 children; it was founded by a group of parents and coordinator Joyce Frey. In 1980, Child's World Preschool became a non-profit organization. A Board consisting of 6 former/current parent members and 4 Zion members meet quarterly to make decisions regarding the preschool. In 2016, we celebrated 40 years of touching the hearts, minds, and lives of over 1,477 children, and changing our world one child at a time!
